

The Circuit Rider

February 2024

"The person who doesn't love does not know God, because God is love."

1 John 4:8 (CEB)

February...the month of love. Oh, sure, the peanut butter filled eggs have officially hit the shelves; Mardi Gras parties are launched in NOLA; we have a National Pancake Day celebrated on the 28th; the days get longer as the nights grow shorter, all signaling spring will soon arrive. Yep, there's a lot to like about February, but mostly we identify February as the month of love.

So, what does that mean for the Christian community? What does it mean to love in God's language?

For the average person, our love is conditional. The love we have for one another is more often based on feelings and emotions that can, and often, change in a moment's notice.

The love of God is different. God's love is unconditional. In most every sermon, love was John Wesley's supreme theological and ethical mandate, and with a grateful heart I echo Father JW's use of the typical love language of the Holy Scriptures.

It is told that when the apostle John was in his extreme old age, he was so weak that he had to be carried into the church gatherings. At the end of the meeting, he would be helped to his feet to give a word of exhortation to the church. Invariably, he would repeat, *"Little children, let us love one another."* The disciples began to grow weary of the same words every time, and they finally asked John why he always said the same thing over and over. John replied, *"Because it is the Lord's commandment, and if this only is done, it is enough."* (from The Epistles of John by Erdman)

So, here's the challenge for you, for me, for us in the days of February. You have my word, I shall be praying in a love language I know God will honor...

In these 29 days (yep, this year is leap year), for the next 29 days I invite you to pause with me daily and pray specifically for one another. Pray that as we move through the Lenten season I will lead us with a God-inspired vision that will lead this community in a God-honoring way. Pray for Camp United Methodist Church and our many ministries that affect the lives of many around us. With hearts filled with the love of God, pray for Bishop Connie Shelton, and District Superintendent, Rev. Tara Lain, pray for each member of our Cabinet, and the United

Methodist Church as they move through this season of appointment making and that our churches would be made stronger through the leadership God will deliver. Pray for the United Methodist Church worldwide, and that God will grant us a way forward, allowing our churches to be safe havens as future generations discover God for themselves. Pray for the mother that struggles to provide a home as a single parent. Pray, with love, for the alcoholic who struggles to find work. Pray for the aging man or woman who is confined to the homes for the aging, especially those that rarely have a visitor. Pray for the political process of this nation as we prepare for an election this year. Pray for the immigrant family seeking freedom in strange surroundings. Pray for the love of God to embrace all God's children in every corner of God's wonderful world.

In February, this nation celebrates the birthdays of President George Washington and President Abraham Lincoln. Allow me to close by sharing their thoughts regarding prayer.

First, Washington. George Washington ordered a custom-sized prayer book so he could carry it in his pocket and have it readily available at all times. More than 100 different prayers were found in Washington's private and public letters. Among them: *"We can but offer our prayers to the Sovereign Dispenser of life and health."*

Next, President Abraham Lincoln who wrote, *"I have been driven many times upon my knees by the overwhelming conviction that I had nowhere else to go. My own wisdom and that of all about me seemed insufficient for that day."*

Friends, welcome to February, a month of love. Oh, and so I don't forget to tell you, in Christ, I love each of you.

Chen and Shalom...

Pastor Terry

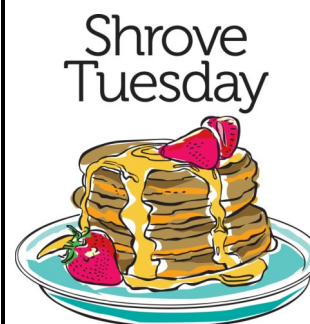

A PRAYER FOR FEBRUARY

As the new month of February dawns, I come before You, Almighty God, with a heart full of gratitude and expectation. This month, known for love, warmth, and renewal, is a reminder of Your constant care and unchanging love for me. I ask for Your blessings, guidance, and protection over every aspect of my life and the lives of those I love in the days to come.

I submit to You every plan, every hope, and every fear. May this month be filled with spiritual growth, joy, peace, and fruitful labor. I stand in faith, knowing that Your promises are true and that You are with me every step of the way. Amen

SPECIAL DAYS IN FEBRUARY

Recent AdMinistry Team's Decisions

- 1 - The AdMinistry Team decided to name the fellowship hall after Margaret Hardin in recognition of her service to our church for over a quarter century, with much of that service having been provided from within our kitchen and fellowship hall. There was a dedication of the newly renovated kitchen and fellowship hall in conjunction with the Methodist Men meeting January 22nd.

Over the years Margaret has served hundreds of vacation bible school dinners, run countless yard sale and bake sales, and coordinated dozens of covered dish and pot luck meals. Her fund-raising efforts have paid for the flooring in the fellowship hall, the tinting of the windows and its recent painting. The fellowship hall was her base of operations for the design and complete funding of our columbarium, a project years in the making. The honor of naming the fellowship hall after her is both well-deserved and fitting.

- 2 - The AdMinistry Team has decided to follow the advice of the Nurture team, who with the help of the Methodist Men will begin a more organized effort to assist those who need help getting into our buildings. They will be stationing people at the ramps and doors of the Church at appropriate hours and people offering to park cars as well as accompany members and guests both before and after services.
- 3 - The AdMinistry team has approved the creation of a new video introducing visitors and new members to the staff and ministries of the church. We have been sending letters of welcome to visitors and now will send a short video via email to those who provide that contact information on our pew pads.
- 4 - On the advice of the SPRC chair, the AdMinistry Team has decided to promote Rebecca Colon to the position of Children's Ministry Coordinator. This fills the position from which Marlene Hall recently retired and expands the duties beyond nursery care to include planning the curriculum for select ages involved in the Wednesday night programs.

IN CELEBRATION OF MARTIN LUTHER KING, JR.

By Donna Varnam

On January 15th, The Greater Shallotte Ministerial Association and Camp United Methodist Church's Agape Ministry Team opened their doors to a community celebration of Dr. Martin Luther King Jr.'s birthday. Black, white, young and old shared the pews and their hearts in celebration of the man whose 1963 "I Have a Dream" speech outlined the history of racial injustice and challenged America to accountability. Dr. King's words are as relevant now as they were more than sixty years ago and those words were brought to life within the walls of Camp United Methodist Church.

It was an honor to have Shallotte Mayor Walt Eccard welcome everyone and Bishop Michael L. Frink offer an opening prayer. Lady Tatyana Frink inspired with a liturgical dance and special music by Lucas Merriam set the tone for the occasion. There were encouraging readings and prayers by area pastors and law enforcement officers. A challenging sermon was delivered by guest speaker Rev. Dr. Jason Villegas.

Camp's Annabelle Holland gave a history of the man whose name we were celebrating and visiting Chazney Lane Williams gave a reading of the 1963 "I Have a Dream" speech. Neither of these young ladies, nor their parents, were born when Dr. King delivered his powerful, compelling speech. Still, the significant, albeit now historical speech, lays out as much of a blue print of peace and love for them to follow today as it did for those who lived through the ministry and marches of the now fallen great civil rights leader. Prayerfully the next generations will "rise up" and stand with greater determination and new strength to cut the chains of apartheid and hate that still exist, but are too often ignored.

Rev. Villegas challenged the church to not become complacent, but to become young and bold in outreach to accomplish God's will. He stated the "church needs to become youthful in embracing reconciliation and diversity." Dr. Martin Luther King Jr. loved, lived and led by the simple teachings of Jesus. Any form of inferior treatment to others was unacceptable in his ministry. Mark 12:31 "Love your neighbor as yourself." A beautiful commandment, a bold challenge.

Agape member, Cathy White gave a blessing before everyone was dismissed for a luncheon following the celebration program. The long line to the dining area was made shorter by smiles, chatter, laughter and hugs. Walking together, brown arms enfolded in white arms. Everyone huddled together, shrouded in love. For a brief time, it felt like we had indeed "overcome."

*"Darkness cannot drive out darkness, only light can do that.
Hate cannot drive out hate, only love can do that."
Martin Luther King Jr.*

**SUNDAY,
FEBRUARY
18TH**

Award winning harpist Amy Shreve, singer, songwriter and harpist, will be making a return visit to Camp United Methodist Church during our worship service on February 18th at 10:00 AM. Amy will be joined by her husband/producer, Gary Wixtrom, backing her with guitars and mandolin.

Amy has performed with the ukulele, guitar, and piano on stage as early as five years old. At age eleven she began mastering the harp. Graduating with a music degree from Wheaton College, IL, Amy landed in Nashville to pursue a music career. After signing her first record contract with Sparrow Records, she was immediately signed as a staff writer at Birdwing music where she honed her skill as a writer.

She has opened for Larry Carlton and Michael McDonald, performed at the NRB and Praise Gathering, and has worked with Tommy Sims (Bruce Springsteen), Norbert Putnam (Dan Fogelberg), Brian Hardin (Motown), and Peter York (EMI).

Amy has recorded sixteen records for six companies and has been nominated for a Dove Award. Her musical influences include Counting Crows, Lifehouse, Oh Hellos, Evanescence and several Irish artists including Enya.

Co-writing and arranging with her husband has added an alternative element to the music. The result is Folk, Celtic, and alternative rock genres.

Amy's hits include, Eden, Beautiful Scars, Afraid Of the Dark, and The God of All Grace.

Amy and Gary tour the US, Canada, and Europe. She speaks and performs at churches, universities and conferences. They have led worship in over 250 conferences for 'The Voice of the Martyrs'.

Invite your friends to begin the Lenten season with us as Amy gives witness to her and her family's tragic situation in 2015 that God used to test their faith and trust in God more fully. From ashes to the power of resurrection, there is no doubt that God moves people to new heights. Amy's message of God's perfect peace in the midst of difficulty through the music will comfort you, encourage you, and will challenge you to fall in love with a God who cares deeply for you.

WEDNESDAY NIGHT LENTEN STUDY

Wed. Feb. 21st to Wed. March 20th

6:00 PM in the Fellowship Hall

In ***The Third Day: Living the Resurrection***, Tom Berlin uses his gifts of storytelling and understanding the Scriptures to connect us to the experiences of several individuals around Jesus in his final days, focusing on new life and redemption rather than loss.

Join Peter, Mary Magdalene, and Thomas as they feel the despair of losing Jesus and the surprise and joy that awaits them in the resurrection. This study traces events around these characters, along with Paul and the disciples at Emmaus, and how the resurrection transformed their lives.

Contact Tamy Munns to order your book. Estimated cost for the book would \$15.

REMINDER: A meal is available at 5:30 PM should you wish to eat at the church. before the study.

trust God's love

A Lenten Series For Divine Direction

The word *believe* causes all sorts of problems as too many people treat their belief in God like their belief in free speech: some kind of license to be obnoxious without taking responsibility for the damage they do.

As a pastor my job isn't to try and convince you to change your mind and believe in or intellectually consent to the existence of an unseen Deity. My work calls for me to help you open yourself more freely to truths you've been told and say you believe.

But that takes time, and it calls for an adjustment in our mindset.

Which brings us to Trust God's Love. There's a difference in saying we "*believe in God*" and saying we "*trust God*." Believing in God is comfortable. Trusting God's Love is riskier. Trusting God's love requires surrendering to God our doubts and fears. Trusting God's love allows us to find true peace and freedom. Trusting God's love moves us to a place of surrendering ourselves to God's wisdom and allows us to fall deeply into relationship with God in an all new, loving way.

The Greater Shallotte Ministerial Association is a group of Christian leaders in the area, united to raise the consciousness of our communities to the faith we share as people of God, and to facilitate the fellowship among local pastors and other persons in ministry.

“For, in the one Spirit we were all baptized into one body . . . and we were all made to drink of one Spirit. Now, we are the body of Christ and individually members of it.” (I Corinthians 12:13, 27)

Happy February & Lenten Season!

Our children kicked off the 2024 year with a vision to support various outreach ministries that our church sponsors. In January, we collected a large number of items to be given to the **Lord's Food Pantry**. In February, we will sponsor Streetreach by providing some of the supplies they need for the homeless community of Brunswick County.

Our **Camp Kids Program** on Wednesday nights is open to all children ages birth to fifth grade. We gather from 5:30-7:00 PM in the Educational Wing (old building) for a time of music, dinner, and devotion. This semester, we are discussing First Samuel and discussing some of the miracles that Jesus performed. If you know of any families seeking to find something for their children to do, please send them our way.

Have a wonderful Lenten season!

In Christ,

Allison Hunter
Director of Children's Ministry

Please Join Us for Our
Shrove Tuesday
Pancake Dinner

The children & youth ministries of Camp UMC will host the annual **Shrove Tuesday Pancake Dinner** on February 13th from 5:00-7:00 PM in the Fellowship Hall. Join us for an evening of fellowship and munching on some yummy pancakes, bacon, sausage, and fruit. Baked goods will also be available for purchase. We look forward to welcoming in our Lenten Season together! Contact Allison for additional information.

Eleven members of the youth group and two adults attended Lake Junaluska Winter Youth Retreat over the Martin Luther King holiday. They left from Camp UMC's parking lot Friday afternoon and returned home Monday afternoon. A huge thank you to Kim Williamson and James Morse for not only being great and fun chaperones but also driving the bus in the mountains! Worship each night consisted of an awesome live band that we have had the privilege to hear for the last three years. The speaker this year was engaging, warm and had a great message. The trip was filled with fellowship and activities. The youth bonded with a ropes course, enjoyed the snow and mountains with snow tubing and warmed up by flipping and jumping at a trampoline park.

We continue to meet Sunday nights from 5:30 pm until 7 pm. This month our service project is making blankets for those in our community in need of warmth.

THE LORD'S FOOD PANTRY

The Lord's Food Pantry needs our help! It needs **empty** egg cartons (**dozen size only**). There is always a need for empty cartons. A pantry team puts the eggs in the carton every week. Please save your empty cartons and bring them to church. There will be an yellow bin in the narthex to collect them. Your help will be appreciated. Thank you.

I am looking for a volunteer to work with me as a co-coordinator. For information on this Camp mission email me at: garyconcelmo@gmail.com

Our next drive will be April 11th, 1:00-6:00, in our YFC.

LENT FAST and DO IDEAS

FAST from being Negative: Whenever you find yourself in a loop of negative thoughts, try to think of three things you're thankful for instead. It'll boost your outlook *and* your mood.

DO Write One Letter of Gratitude Each Day: Take on a 40-day gratitude challenge and write one thank-you note, text or email each day. If you don't feel comfortable sharing your gratitude, simply write down three things you're thankful for each day in a journal or in your phone's notes app.

DO Donate Three Things Each Day: For example, you could donate three lightly worn pieces of clothing, three toys, three books or three cans of food. Can't find three things? Give a compliment to three strangers or leave a 30% tip on your next meal if you can spare it.

FAST from Gossiping: This Lenten season, steer conversations away from gossip. If a friend starts talking about someone else, say something nice about that person and change the subject. You can also tell your friends that you're trying to avoid gossip. They might appreciate the nudge toward positivity.

FAST from Playing Computer or Electronic Games: If you find yourself grabbing for your Xbox or iPad to play games most nights, see if you can cut back on the habit during Lent. If quitting entirely sounds impossible, try cutting down on your weekday use only.

FAST from Streaming Services: Think you can go 40 days without Netflix? What about Hulu, Disney+, Amazon Prime or HBO Max? Try logging out of your favorite streaming services for the next 40 days. You'll be surprised how much extra time you have.

DO Offer Forgiveness: It's one of the hardest things to do, but offering forgiveness to someone who has hurt you can do wonders for not just them, but your own mental health. And it's equally important to forgive yourself, don't forget.

DO Catch up With Loved Ones: During the daily grind, it's easy to tell ourselves we'll call or text our loved ones later—and then later never comes. Take time every day to send someone you care about a quick text or give them a call to show how much they mean to you.

GOOD NEWS

After months of hard work and prayers, the CUMC kitchen is open for business and we are better than ever! A crew of approximately 17 members dedicated their Saturday to come out and put the finishing touches on the new space. Items were moved out of storage, washed, dried, organized and placed. There was some chaos, a bit of comic relief, and achy muscles the next day, but this team got it done.

The Team

Don Eagle helps with lining shelves & drawers.

Necessary fuel for the team

Barbara Varnam, Donna Varnam and Peggy Coda washed dishes, dried dishes and put them away.

Doug Jones was organizing things in the kitchen when this picture was taken. Seems that he really enjoyed the task.

Thank You

To Camp UMC:

Thank you. Thank you for your constant prayers, for your generous financial gift and literally covering my husband with healing prayer right after his accident by way of the prayer shawl. This last 19 months has been the most challenging of our entire lives. We are in a situation that we never thought we'd be in, and there's no two ways of saying it— spinal cord injuries just plain stink. But if I've said it once, I've said it a hundred times. To have been impacted by such a thing terrible accident, we honestly have been given the best possible circumstances. Our support system is second to none, and that includes Camp UMC. Thank you for praying for us as part of your extended church family. God is the reason my husband has made the miraculous recovery he has, and I firmly believe that He's not done with Ant yet!

Before this accident, during our family prayer time each evening I prayed that God would use our family. I thought He would do something like position us to help others in a more conventional way...but we don't ever know His plans. Our youngest son, Jeremiah, is a constant reminder of that. The week before Ant's accident, when I was 19 weeks pregnant with our third son, we settled on the name "Jeremiah" in honor of my favorite Bible verse, Jeremiah 29:11. Fast forward a week, and his name became a steadfast reminder of God's plans. God is using our family, just like I prayed He would, just not in the way I thought He would. We live and breathe the way God is working miracles through Ant. I know it has undoubtedly strengthened our faith as a family, and I pray that we can ripple our faith out and witness to others. Ant is a WALKING testimony of God's love for us! Thank you again, Camp UMC, for covering us in prayer and keeping us moving along this miraculous journey.

May God Bless you all,
Emily Luciano

Jane and I would like to extend our heartfelt thanks to each of you for the love and generosity extended to us during Christmas and as we started our new year. The love we feel for Camp United Methodist Church and her people cannot be overstated.

J&T

Dear Camp Family,

There are not enough words to fully express our heartfelt thanks for the sympathy, love, cards, calls and support you have extended to me and my family during this time of loss. The flowers on the altar were beautiful. It was such a blessing to remember her with such a beautiful arrangement. Christmas was her favorite time of year. Again thank you my Camp UMC family from the bottom of our hearts.
