If you have indoor tropical plants, ferns and/or palms you are willing to loan us for the week of Bible school, June 15th – 19th, please let Ms. Thommi know. We appreciate it.

A vibrant, colorful illustration of a rainforest scene. In the center, a waterfall cascades into a pool. The scene is framed by lush green foliage, including large leaves and colorful flowers. Various tropical animals are depicted: a green and red parrot perched on a branch, a blue butterfly, a small insect, and a blue frog. The text 'Join us for VBS!' is written in a playful, green font at the top. Below it, the title 'RAINFOREST FALLS' is written in large, stylized letters with a wood-grain texture. Underneath the title, the subtitle 'Exploring the Nature of God' is written in a smaller, black font. The location and dates are listed: 'Camp United Methodist Church | Shallotte, NC | June 15-19' and '5:30 pm - 7:00 pm'. Below that, it says 'Ages 3 - 8th Grade | 3 Year olds must be potty trained'. A section titled 'Activity Highlights' features five icons: an open Bible, a paint palette with animals, a soccer ball with children, a science flask with a rocket, and a plate of food. At the bottom left, there is a QR code and the text 'Scan here to register'. The bottom right corner shows more rainforest animals like a blue frog and an orange frog.

Step through the mist into **Rainforest Falls** with overflowing waterfalls, towering trees, and colorful creatures. Beneath a canopy of chattering birds and howling monkeys, kids plunge into a lifelong adventure of discovering the nature of God. They'll explore what it means to be rooted in relationships with God, their creator, a safe place in life's storms.
